profile

I have been working as a designer on and off for more than 20 years. Within that time I have 6 years experience in print publication work. I would love to combine my love of graphic design with my love of quilting. Working in the quilting industry would truly mean getting paid to do what I love!

quilting experience

I have been quilting for several years and consider myself an Intermediate level quilter. I have experience with traditional machine piecing methods as well as foundation paper piecing and english paper piecing. I have also written and released one pattern of my own, an EPP pattern. I enjoy learning about all aspects of quilting, growing my skill set, and being an active part of the instagram quilting community.

professional experience

Missouri Star Quilt Co.

April 2022 - present

Technical Pattern Writer responsible for writing quilting patterns from supplied designs and applying the written instructions and diagrams into an established layout. Essential functions include: drawing diagrams from pattern designs or step outs, work directly with the technical editor for mathematical accuracy, layout design into established format for printing, preps files and send to printer, collaborate with pattern designer to understand how quilt/project was made, and identify any issues.

MJM Studios, Inc.

August 2010 - present

Designer responsible for corporate identity redesign. Including new logo, business cards, wall murals, car decals, social media and website. Also responsible for teaching children ages 2-6 ballet and tap.

St. Paul Catholic School

October 2008 - June 2010

Art Teacher responsible for teaching all students in grades K-8 basic art concepts as well as an introduction to art history.

Fisette Corporation

February 2002 - May 2008

Designer/publisher responsible for Golden Guide to Apartments and The Real Estate Guide. Including creating all graphics, magazine layout, preparing files for the press, client correspondence, invoicing and accounts receivable, press coordination, press checks, and distribution management.
